PROFILE

I interview subject matter experts, fine-tune learning objectives, script engaging content, and lay out how the whole experience will unfold in storyboards and wireframes. Then I put it all together into interactive, effective, and fun eLearning driven by a compelling story.

ACADEMIC DESIGN EXPERIENCE

ADJUNCT PROFESSOR

Georgetown University | Aug 2018 - Present

- Developed three courses for the department of English.
- Designed learning materials for in-person and online delivery.
- Facilitated in-class workshops on new tech tools and supervised over 100 students' multimedia projects.
- Fostered classroom community through innovative, inclusive assessment.

GRADUATE TEACHING ASSOCIATE

The Ohio State University | Aug 2012 - Aug 2017

- Designed, taught, and facilitated 11 courses for 450 learners.
- Programmed and chaired monthly interdisciplinary roundtable; developed learning materials to facilitate discussion.
- Regularly presented research at conferences; designed accompanying digital and analog audiovisual aids.

CONTRACT DESIGN EXPERIENCE

CONTENT DEVELOPER

Planet Word Museum of Language Arts | Jun 2019 - Jun 2020

- Researched, scripted, and storyboarded 17 interactive exhibits.
- Presented work-in-progress to and gathered feedback from key stakeholders and content matter experts.
- Liaised with UX and graphic design team to communicate visitor-centered visual and interactivity needs.
- Assisted in audio and visual production and post-production.

RESEARCHER / WRITER

Mindset Digital LLC | Jan 2017 - Apr 2019

- Researched and wrote briefs on emerging developments in insurtech, fintech, and healthcare industries.
- Assisted creative director and producers with script-writing / editorial for 20+ mobile-delivered microlearning modules.
- Developed curriculum for new module topics.
- Wrote copy and curated content for weekly blog and podcast.
